WINE TASTINGS...

In-home or your place of business
for every occasion!

Harper's Restaurant Group and **ONE Catering** are pleased to introduce a new in-home wine tasting experience for you and your friends.

PAIRINGS offers guests the opportunity to taste fine wines paired with fine foods. It's great entertainment and fun for any occasion, including your next "girls' night in" party, a couples' sit down dinner, special birthday celebration or even a "serious wine tasting." Or, consider a Pairings Event as an educational and creative fundraiser for your charity of choice.

When you choose to host a **PAIRINGS** party, our ONE Catering event consultants will work with you to customize the wines and menu to suit your taste, budget and party theme. At the party, our wine expert will greet your guests and present the wines while answering any questions regarding the food and wine pairings. All wines poured will be available for purchase through Harper's Restaurant Group at discounted prices.

To book your **PAIRINGS** party:

ONE Catering at 704.370.0107 or
